Dear parent or guardian,

All students who enter Kindergarten are required by the State of Illinois to submit documentation of the following:

- **School Physical-Completed by October 15th**
- **Up to date Immunizations-Completed by October 15th**
- **Vision Exam-Completed by October 15th**
- **Dental Exam-Completed by May 15th**

The Illinois State deadline for physicals and immunizations is **October 15th** of each school year. **It is strongly recommended that these are completed prior to starting in August.** If the physical exam and/or immunizations are not completed prior to the start of school, we are requesting you provide the school with an appointment date. **Appointments become more difficult to obtain as the school year begins, so please make your appointments as soon as possible.**

If you have any questions, please contact the school nurse. Thank you for your cooperation with these state requirements.

Kelly Duytschaver RN
School Nurse
